Introduction

Application

Appendix A: List of Acronyms

Exhibit A: Project Location and Land Use

- Exhibit A-1 Land Ownership and Jurisdiction Map (1:62,500), North of RS-24 Alignments
- Exhibit A-2 Land Ownership and Jurisdiction Map (1:62,500), South of RS-24 Alignments
- Exhibit A-3 Existing Land Use Plan Map (1:62,500), North of RS-24 Alignments
- Exhibit A-4 Existing Land Use Plan Map (1:62,500), South of RS-24 Alignments
- Exhibit A-5 Planned Land Use Map, Maricopa and Pinal Counties, North of RS-24 Alignments
- Exhibit A-6 Planned Land Use Map, Maricopa and Pinal Counties, South of RS-24 Alignments
- Exhibit A-7 Planned Land Use Map, City of Mesa
- Exhibit A-8 Planned Land Use Map, Town of Gilbert
- Exhibit A-9 Planned Land Use Map, Town of Queen Creek

Exhibit B: Environmental Studies

Exhibit C: Biological Wealth

Exhibit D: Fish, Wildlife, and Plant Life

Exhibit E: Scenic Areas, Historic Sites, and Archaeological Sites

Exhibit F: Recreational Purposes and Aspects

Exhibit G: Project Facilities and Visual Simulations

- Exhibit G-1 Double Circuit 230kV Pole with I-string Insulators and Double Circuit 69kV Underbuild
- Exhibit G-2 Double Circuit 230kV Pole with Braced Line Post Insulators
- Exhibit G-3 Double Circuit 230kV Pole with Line Post Insulators
- Exhibit G-4 Double Circuit 230kV Deadend Pole and Double Circuit 69kV Underbuild
- Exhibit G-5 Double Circuit 230kV Deadend Two Pole Structure
- Exhibit G-6 RS-24 Substation General Arrangement Plan (230kV lines from west)
- Exhibit G-7 RS-24 Substation General Arrangement Plan (230kV lines from east and west)
- Exhibit G-8 Visual simulation, North-Railroad Alignment (looking south along Power Road)
- Exhibit G-9 Visual simulation, Germann Alignment (looking east along Germann Road)
- Exhibit G-10 Visual simulation, Germann Alignment (looking west along Germann Road)
- Exhibit G-11 Visual simulation, Germann Alignment (1/4 mile north of Germann Alignment)
- Exhibit G-12 Visual simulation, Germann Alignment (1/2 mile south of Germann Alignment)
- Exhibit G-13 Visual simulation, Germann and Ryan Alignments with the Meridian Sub-alternative (looking north along Meridian Road)
- Exhibit G-14 Visual simulation, Germann and Ryan Alignments with the Meridian Sub-alternative (looking south along Meridian Road)
- Exhibit G-15 Visual simulation, North-Railroad Alignment (looking southeast near the intersection of Ellsworth Loop Road and Rittenhouse Road)
- Exhibit G-16 Visual simulation, North-Railroad Alignment (looking northwest near Ellsworth Road)

---

Table of Contents

---

Exhibit G-17	Visual simulation, North-Railroad Alignment (looking southeast near Ellsworth Road)
Exhibit G-18	Visual simulation, North- and South-Railroad Alignment (looking southeast near the intersection of Combs Road and Rittenhouse Road)
Exhibit G-19	Visual simulation, Ocotillo Alignment (looking southeast along Sonoqui Wash)
Exhibit G-20	Visual simulation, Ocotillo Alignment (looking southeast along Sonoqui Wash near park)
Exhibit G-21	Visual simulation, Ocotillo Alignment (looking south along Hawes Road north of the Sonoqui Wash)
Exhibit G-22	Visual simulation, Ryan Alignment (looking east along Ryan Road)
Exhibit G-23	Visual simulation, Ryan Alignment (looking west along Ryan Road)
Exhibit G-24	Visual simulation, Germann and Ryan Alignments with the Signal Butte Sub-alternative (looking north along Signal Butte Road)
Exhibit G-25	Visual simulation, Germann and Ryan Alignments with the Signal Butte Sub-alternative (looking south along Signal Butte Road)
Exhibit G-26	Visual simulation, South-Railroad Alignment (looking northwest along the Union Pacific Railroad near Gantzel Road)
Exhibit G-27	Visual simulation, South-Railroad Alignment (looking southeast along the Union Pacific Railroad near Gantzel Road)
Exhibit H: Existing Plans	
Exhibit H-1	Approved Subdivisions Map, North of RS-24 Alignments
Exhibit H-2	Approved Subdivisions Map, South of RS-24 Alignments
Exhibit I: Noise Emissions and Communication Interference	
Exhibit J: Special Factors	
Special Studies	
Exhibit J-1	Abel-Moody 230kV Transmission Project, Gas Pipeline Mitigation Analysis
Exhibit J-2	Preliminary Phoenix-Mesa Gateway Airport Obstruction Evaluation/Airspace Analysis of the Abel-Moody 230kV Transmission Project
Routing and Public Process	
Exhibit J-3	Agency Coordination and Leadership Responses
Exhibit J-4	Jurisdictional Working Group Meetings
Exhibit J-5	Stakeholder Involvement and Responses
Exhibit J-6	Open House #1 Materials and Exhibits
Exhibit J-7	Open House #2 Materials and Exhibits
Exhibit J-8	Open House #3 Materials and Exhibits
Exhibit J-9	Open House #4 Materials and Exhibits
Exhibit J-10	Federal and State Agency Notification Letter and Responses
Exhibit J-11	Tribal Notification Letter and Responses
Exhibit J-12	Public Responses
Exhibit J-13	Public Petitions
